

A dark, moody photograph of a film production set. In the center, a red step ladder is illuminated by a bright light source, creating a strong red glow. To the left, a person is partially visible, looking towards the center. To the right, another person is standing, looking down. The background is dark and indistinct, suggesting an indoor studio environment.

COMING FALL 2022

# Film Production

New equipment. New software.  
Amazing opportunities.
